

## Attainment of Reception and KS2 Starters Comparison

“The proportion of those eligible for the pupil premium varies each year. School data show that where these pupils are in the school from the start of Year 1, they achieve at exactly the same level as other pupils. Where they join later in Key Stage 2, there is still a gap in their attainment.”

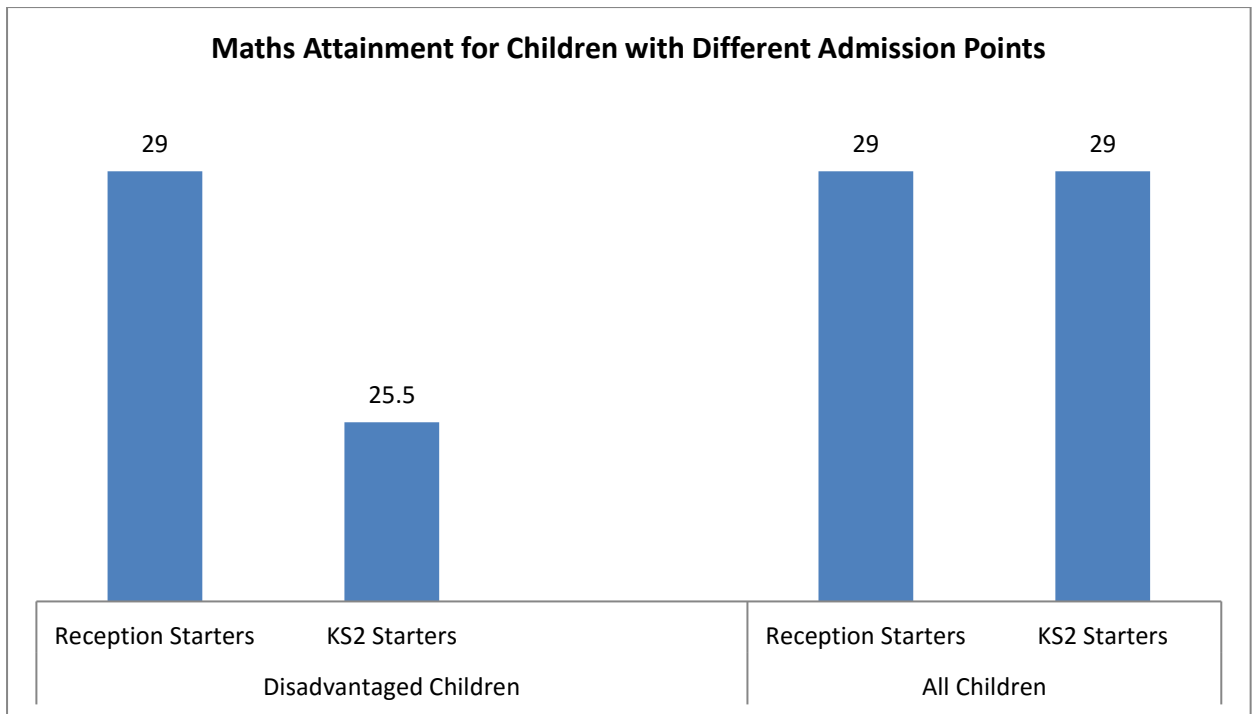

OFSTED 2015

**Overall disadvantaged children who started in Reception attained 5 APS higher, or are 20 months ahead of those who start in KS2**

**Overall disadvantaged children who started in Reception attained 4.5 APS higher, or are 18 months ahead of those who started in KS2**

**Overall disadvantaged children who started in Reception attained 3.5 APS higher, or are 14 months ahead of those who started in KS2**
