Anti-Bullying Charter

- Everyone in school follows our **CODE OF CONDUCT** and **S.H.A.P.E.** These guide us and tell us how to behave
- Adults in school will never ignore bullying
- Bullying will never be tolerated in school
- All children will tell an adult if they are being bullied – they will make sure that it **STOPS!** We are a **TELLING SCHOOL**
- School will let parents of the bully and the person being bullied know if bullying happens in school
- Adults in school will check to make sure that bullying has stopped
- The school council will update the Anti-Bullying Charter every year
- Our Anti-Bullying Charter is on the school website so **EVERYONE** can read it
- Parents will come into school to tell us if their child talks about being bullied
- Every classroom will have a 'worry box' so children can write down if they are being bullied
- Remember: See it, stop it, get help!

**Our Anti-Bullying Charter was written by us;
the children of The Nether Edge Primary School**
